in aswathy-d- **Address:** Kottarkkara, Kerala, India 691560

Summary

Driven and curious undergraduate in Computer Science and Engineering from College of Engineering Adoor, Kerala. Passionate about exploring innovative technologies and applying them through impactful engineering projects.

Skills

- **Programming Languages:** Python, C
- **Technologies:** HTML, CSS, MySQL
- **Soft Skills:** Public Speaking, Leadership & Team Management, Problem Solving, Self-learning, Project Planning, Time management, Presentation skills

Education

B.Tech Computer Science and Engineering	<i>2022 – Present</i>
<i>College of Engineering, Adoor, Kerala</i>	CGPA: 9.47/10
Higher Secondary Education	<i>2020 – 2022</i>
<i>Mar Ivanios Bethany School, Kalayapuram, Kollam.</i>	Score: 91.8%

Experience

AI Research Intern	<i>May - June 2025</i>
<i>Amrita Vishwa Vidyapeetham</i>	
◦ Conducted research on "Performance Evaluation of Machine Learning and Deep Learning Models in Rice Yield Prediction". Authored a research paper based on the study.	
Cybersecurity Intern	<i>July 2024</i>
<i>Technovalley Software India Private Limited</i>	
◦ Performed risk analysis and threat assessment through Man-In-The-Middle attack simulations using packet capturing techniques with Wireshark.	

Projects

- AutoGlide: A Smart Instrument-Based Aircraft Landing System** (*Ongoing*)
 - An intelligent sensor-based autonomous landing system inspired by Instrument Landing Systems (ILS).
 - **Tech Stack:** MATLAB, Simulink, Sensor Models (DHT11, HC-SR04, RF Modules, Servo Motors).
- Law Firm Website**
 - Developed a responsive legal portfolio website showcasing expertise and services.
 - **Tech Stack:** HTML, CSS, JavaScript, Bootstrap, Netlify.
- Hostel Management System**
 - An online web application for managing the day to day administration of a hostel.
 - **Tech Stack:** PHP, MySQL, HTML, CSS, JavaScript, Bootstrap

Positions of Responsibility

- Quiz Club Member : Actively contributed to organizing and conducting technical and general knowledge quiz competitions. (2022 - 2023)

Achievements

- Consistently maintained a 9.47/10 CGPA, demonstrating strong academic discipline.

Certifications

AI Fundamentals - IBM SkillsBuild:	<i>2025</i>
◦ Successfully completed the course on AI fundamentals.	
Introduction to Programming in C <i>IIT, Kanpur through NPTEL</i>	<i>Jan - March 2024</i>
◦ Mastered the course on Introduction to Programming in C.
